To Whom It May Concern

Re: 49 – 51 Sloane Square, London SW1

Dear Sirs,

In reference to the works recently carried out at the above project and on the behalf of Geoffrey Osborne Limited I would like to thank the Lancebox Group for the excellent work they carried out at Sloane Square.

In these works Lancebox carried out the sequenced asbestos removals, soft-strip works, internal alterations and demolition works to a very high standard while also both within programme and budget.

Complying with all site rules and safety Lancebox were awarded 3 consecutive monthly health and safety awards and a further green card safety award while working on this project.

On the behalf of Geoffrey Osborne Limited I would like to thank Danny Samworth for all his assistance and the Lancebox site team for the good work they carried out under his supervision.

I would also be delighted to use Lancebox on any future upcoming works and projects.

Roger Pettitt

Senior site manager
